GENERAL GUIDELINES

1. This book of "General Conditions of Contract" is applicable to both types of tenders i.e." Percentage rate tenders and Item rate tenders". Accordingly, alternative provisions for conditions Nos. 4, 10 & 12 of the General Rules and Directions are given in this book. The appropriate alternatives will be applicable in specific cases depending on whether this is used for percentage rate tender (CPWD-7) or item rate tender (CPWD-8).

2. CPWD-6, Schedules A to F, special conditions/specifications and drawings only will be issued to intending bidders. The HCU-GCC 2016 form will not be issued along with the Tender Documents but the same shall form part of the agreement to be drawn and signed by both parties after acceptance of tender. The HCU-GCC 2016 can be accessed and downloaded from website www.uohyd.ac.in

3. All blanks are confined to Notice Inviting Tender (CPWD-6) and
Schedules A to F.

4. Authority approving the Notice Inviting Tenders (NIT) shall fill up all the blanks in CPWD-6 and in Schedules B to F before issue of Tender Papers.

5. The intending bidders shall quote their rates in Schedule A (Schedule of quantities in CPWD Form 3)

6. The proforma for registers and Schedules A to F are only for information and guidance. These are not to be filled in the Standard Form. The Schedules with all blanks, duly filled, shall be separately issued to all intending tenderers.

Signature of the Contractor

Method of Tender Application, Tender Submission and Tender Opening

The intending bidder must read the terms and conditions of CPWD-6 carefully. He should only submit his bid if he considers himself eligible and he is in possession of submission of all the required documents as per NIT.

The following Technical and Finance bid documents shall be upload simultaneously with scanned copies in e-procurement web site. The tender documents may also be seen at University of Hyderabad website- www.uohyd.ac.in

(A) Technical bid documents

1) The bidders except Micro and Small Medium Enterprises (MSEs) notified under (MSME) Policy (as per Rule 170 of GFR 2017), should pay EMD of 2% of Tendered amount (including GST) should be drawn in favor of "Finance Officer, University of Hyderabad" either in form of Bank Guarantee fixed deposit receipt of a bank/demand draft/banker check of a scheduled bank. The original EMD shall be placed in Envelope-1 and closed using suitable adhesive and shall be dropped in the Tender box before the bid opening date and time. The scanned copy of EMD shall be uploaded on the web site. Bids submitted along with EMD in the prescribed form shall be considered for further evaluation of eligibility Criteria. Bids submitted without EMD shall be summarily rejected. The Technical bid shall contain all the documents scanned and uploaded in the concerned web site, based on which the bidder claim to be eligible as per eligibility criteria prescribed in NIT. Any discloser of finance bid in the technical bid documents will lead to summary rejection of bid.
2) Work experience certificates as per Eligibility criteria.
3) Contract registration certificate issued by State or Central Govt., Departments or state/central autonomous bodies undertaking.
4) PAN card & GST Registration Certificate.
5) Latest Income Tax returns for the consecutive three financial years. Immediately preceding the tender date.
6) Turnover Certificate for the consecutive three financial years, immediately preceding the tender date duly certified by the Chartered Accountants.
7) Undertaking as per Form "J".
8) Other necessary documents as per Tender documents.

B) On the due date of opening, the Technical bid of those tenderer who furnished valid EMD will only be opened. On opening of Technical bid, further detailed scrutiny/evaluation will be carried out. During the evaluation of techno commercial bids, the documents furnished by the tenderers will be scrutinized in detail. Any tender, found as not fulfilling the eligibility criteria will be rejected at this stage and such offers will not be considered for further processing. The price bid of only those tenderers who have been qualified during the scrutiny and technical evaluation will be opened separately on a specified date (with due intimation to the qualified bidders) and further processed, as per tender procedure/stipulations.

Signature of the Contractor

Eligibility Criteria and Notice Inviting tender:

(1) The bidder shall be a registered/enlisted contractor and should produce definite proof of registration/enlistment under appropriate class issued registered by state or central government departments or state/central autonomous bodies or undertakings.

(2) Experience Criteria (Eligibility criteria for participation in tendering).

Estimate Cost of the work is **Rs. 4,82,20,000/-(including of GST)**

(a) Bidders should have satisfactorily completed during last 07 years ending last day of the month prior to the month in which the tenders are invited.

(i) One work of UPVC Windows/ Ventilators completed works of **80%** of Estimated cost i.e **Rs. 3,85,76,000/- (including of GST)**

(OR)

(ii) Two works of UPVC Windows/ Ventilators completed works **each** costing not less **50%** of Estimated cost i.e**. Rs. 2,41,10,000/- including of GST)**

(OR)

(iii) Three works of UPVC Windows/ Ventilators completed works **each** costing not less than **40%** of Estimated cost i.e **Rs. 1,92,88,000/- (including of GST)** Self-Attested copies of experience certificates are to be submitted.

(3) Only work completed and certified by competent authority of the organization will be accepted as Experience Certificate. Certificate not issued in the name of bidder (Contractor) or issued by an authority not competent to issue such certificate will not be accepted.

Mere work order or purchase order etc issued will not qualify for experience.

(3a) The copies of relevant IT returns and Auditor Certified Turnover Certificate for the consecutive three financial years, immediately preceding the tender date. PAN Card, GST Registration certificate should accompany the technical bid.

(4) The contractors who were penalized under clause No (2) of General Conditions of Contract during the last one year in UoH campus works will be disqualified and their Technical /Financial bids will not be accepted.

(5) Should have had average Annual Financial turnover not less than **Rs. 1,44,66,000/-** i.e., **30%** of the estimated cost of the work during the last three years ending **31st March 2024.**

(6) To become eligible for issue of tender, the tenderer shall have to furnish an undertaking, as perform 'J' of the NIT.

Signature of the Contractor

(7) Agreement shall be drawn with the successful tenderer in the prescribed Form No. CPWD 7/8 which is available in the University of Hyderabad website.

Tenderer shall quote his rates as per various terms and conditions of the said form which will form part of the agreement.

(8) The time allowed for carrying out the work is **6 Months** from the start date as defined in clause 5 Scheduled "F" or from the first date of handing over of the site, whichever is later, in accordance with phasing if any indicated in the tender document. The site shall be made available as and when required for execution of work.

(9)(a) Tenders shall be accompanied with Earnest money of **2%** of estimated cost put to tender/in the receipt of fixed deposit receipt /demand draft/banker check of a scheduled bank issued in favour of Finance Officer, University of Hyderabad payable at Hyderabad.

(b) Defect liability period of six (06) months after satisfactory completion of work.

(10) The Bidder/contractor, whose tender is accepted, will be required to furnish performance Guarantee of **5%** (Five Percent) of the tendered amount within the period specified in Schedule F. This guarantee shall be in the form of cash (in case guarantee amount is less than Rs. 10,000/-) or Deposit at Call receipt of any scheduled bank/Banker's cheque of any scheduled bank/Demand Draft of any scheduled bank/Pay order of any scheduled bank (in case guarantee amount is less than Rs. 1,00,000/-) Government Securities or Fixed Deposit Receipts or Guarantee Bonds of any Scheduled Bank in accordance with the prescribed form.

In case the contractor fails to deposit the said performance guarantee within the period as indicated in Schedule "F" including the extended period if any, the Earnest Money deposited by the contractor shall be forfeited automatically without any notice to the contractor.

(11) The description of the work is as follows: Copies of other drawing and documents pertaining to the works will be open for inspection by the tenderers at the office of above mentioned officer. Tenderers are advised to inspect and examine the building and its area surroundings and satisfy themselves before submitting their tenders. The tenderer shall be responsible for arranging and maintaining at his own cost all materials, tools & plants, water, required for executing the work unless otherwise services provided for in the contract documents.

Submission of a specific electricity access, facilities for workers and all other tender by a tenderer implies that he has read this notice and all other contract documents and has made himself aware of the scope and specifications of the work to be done.

Signature of the Contractor

(12) The competent authority on behalf of the University of Hyderabad does not bind himself to accept the lowest or any other tender and reserves himself the authority to reject any or all the tenders received without the assignment of any reason. All tenders in which any of the prescribed condition is not fulfilled or any condition including that of conditional rebate is put forth by the tenderer shall be summarily rejected.

(13) Canvassing whether directly or indirectly, in connection with tenderers is strictly prohibited and the tenders submitted by the contractors who resort to canvassing will be liable to rejection.

(14) The University Engineer on behalf of the competent authority of University reserves to himself the right of accepting the whole or any part of the tender and the tenderer shall be bound to perform the same at the rate quoted.

(15) No Engineer of Gazette rank or other Gazetted Officer employed in Engineering or Administrative duties in an Engineering Department of the Government of India is allowed to work as a contractor for a period of one year after his retirement from Government service, without the previous permission of the Government of India in writing.

This contract is liable to be cancelled if either the contractor or any of his employees is found any time to be such a person who had not obtained the permission of the Government of India as aforesaid before submission of the tender or engagement in the contractor's service.

(16) The tender for the works shall remain open for acceptance for a period of **90 days** from the date of opening of tenders/Ninety days from the date of opening of financial bid. If any bidder withdraws his tender before the said period or issue of letter of acceptance, whichever is earlier, or makes any modifications in the terms and conditions of the tender which are not acceptable to the department, then the Government shall, without prejudice to any other right or remedy, be at liberty to forfeit of the said earnest money as aforesaid. Further the tenderer shall not be allowed to participate in the retendering process of the work.

Signature of the Contractor

(17) The Contractor should furnish the contact telephone/cell phone numbers of self and their supervisors to the institute. The normal working hours shall be from 9.00 am to 5.30 pm on all seven days of the week but if required, the Contractor should execute the works beyond the normal working hours/ as per the requirement of the institute.

(**18)** Contractor's liability for damage caused during installation work and imperfections: if the contractor or his / her workmen or servants shall break, deface, injure or destroy any part of the building in which they may be working or building road, fence, enclose, water pipe, cable, drain, electric or telephone posts or wires, trees, grass, or grasslands or any technical Equipment in the premises on which the work or any part of it as being executed, or if any defect, shrinkage or other faults appear in the work the contractor shall make good at his/ her own expense, or in default, the indenter may get the same rectified and deduct the expense from any amount that may be due or at any time thereafter may become due to the contractor.

(19) The notice inviting Tender shall form part of the contract document. The successful tenderer/contractor, on acceptance of his tender by the Accepting Authority shall within 15 days from the stipulated date of start of the work, sign the contract consisting of: -

a. The Notice Inviting Tender, all the documents including additional conditions, specifications and drawings, Clarifications if any, forming the tender as issued at the time of invitation of tender and acceptance thereof together with any correspondence leading thereto.

b. Standard C.P.W.D. Form 7/8

(20) Time and Quality are the essence of this work and to ensure the same each R.A bill shall accompany timely, Quality, Quantity certificate and the same shall be ensured by the University Engineer.

(21) GST invoice form should be filled and submitted along with the bill.

(22) The Labour engaged and working equipment brought by the contractor for the work shall be recorded in the UoH Security main gate before entering in to the premises and obtain necessary gate pass.

(c) Steel Reinforcement and structural steel sections for each diameter, section and category 2% plus/minus

(d) All other materials. Nil

Signature of the Contractor

Clause 43: SINGLE ENTITY

43.1 A single entity should manage both the manufacturing and fabrication of windows with the following requirements

43.2 Integrated Facilities: The entity must have facilities equipped for both manufacturing (e.g., creating raw materials like frames and glass) and fabrication (e.g., assembling and customizing windows). **Certificate highlighting availability of integrated facilities needs to be enclosed for qualifying in the Technical Bid.**

1. **Skilled Workforce**: A team with expertise in both manufacturing processes (e.g., material cutting, glazing) and fabrication techniques (e.g., hardware installation, finishing) is essential.
2. **Compliance with Standards**: Adherence to local and international standards, which specifies requirements for air tightness, wind resistance, and heat transmission, is crucial.
3. **Efficient Supply Chain**: A streamlined supply chain for raw materials like aluminium, wood, or vinyl ensures smooth operations.
4. **Quality Assurance**: Quality should be checked at every stage, from raw material selection to final assembly, help maintain product standards.
5. **Sustainability Practices**: Incorporating eco-friendly materials and energy-efficient designs can enhance the entity's market appeal.

Clause 44: CRITERIA

44.1 The criteria for uPVC (unplasticized polyvinyl chloride) window profiles should typically include the following:

1. **Material Composition**: uPVC profiles should be made from high-quality PVC resin blended with additives like stabilizers, impact modifiers, and UV stabilizers to ensure durability and resistance to weathering.
2. **Wall Thickness**: The profiles must meet specific wall thickness requirements for strength and stability. For example, the Bureau of Indian Standards (BIS) specifies minimum wall thicknesses in its guidelines.
3. **Multi-Chamber Design**: Profiles should feature a multi-chamber design to enhance thermal insulation, soundproofing, and structural integrity.

Signature of the Contractor

4. **Reinforcement**: Galvanized steel reinforcements should be added to the profiles to improve strength and resistance to wind loads.
5. **Surface Finish**: The surface should be smooth, free from defects, and resistant to discoloration due to UV exposure.
6. **Performance Standards**: Profiles must comply with standards for thermal insulation, water tightness, air permeability, and wind resistance as per IS 17953:2023.
7. **Eco-Friendliness**: Profiles should be recyclable and manufactured using environmentally friendly processes.
8. **Temperature Resistance**: TPE gaskets should withstand a wide range of temperature from **0°C to +80°C** to maintain flexibility, sealing properties, and structural integrity under extreme condition.

Clause 45: TECHNICAL SPECIFICATIONS

45.1 Technical specifications for manufacturing and fabrication of windows are as under: -:

1. **Material Standards**: Compliance with standards like ASTM D1748, BS 7413, or EN 12608 for uPVC profiles ensures durability and performance.
2. **Wall Thickness**: Profiles should have a nominal wall thickness as specified in BoQ.
3. **Reinforcement**: Galvanized steel reinforcements should be provided for structural integrity.
4. **Weather Resistance**: Profiles must be resistant to UV rays, chemicals, and fungal growth.
5. **Performance Metrics**: Windows should meet criteria for air permeability, water tightness, and wind resistance, often tested up to 2400 Pa.
6. **Fire Safety**: UPVC should be self-extinguishing to prevent fire spread.
7. **Glazing**: Internally beaded glazing with TPE gaskets for security and weatherproofing.
8. **Drainage Systems**: Efficient drainage and pressure equalization systems are essential for adverse weather conditions.

Signature of the Contractor

9. **Installation Standards**: Proper anchorage and alignment during installation should be ensured
10. UPVC Profile colour to be as per code RAL 9016

NAME OF WORK:-"Maintenance of Buildings:- Providing and fixing of fly proof windows and Ventilators in the Men's and Ladies Hostels in the University of Hyderabad Campus.

1) The estimates amount is Inclusive of GST.
2) The bidder should quote basic rates exclusive of GST and quote GST percentage separately; GST should be revised from time to time.

S.No	Description of items	Qty	Unit	Basic Rate in Figures to be entered by the Bidder without GST	Add: GST (%)	Total Amount without GST	Total Amount with GST
1	**UPVC 2T 2P With SS Mesh**						
	Providing and fixing factory made uPVC white colour Sliding window with SS Mesh (SS 304) comprising of uPVC multi-Chambered extruded profiles duly reinforced with 1.0 ± 0.2 mm thick (for frame), 1.5 ± 0.2 mm (for sash), galvanized mild steel section made from roll forming process of required length (shape & size according to uPVC profile), TPE gasket that is co-extruded with uPVC profile, Touch locks, nylon rollers, Gl fasteners 100 x 8 mm size for fixing frame to finished wall, plastic glazing packers, plastic caps and necessary stainless steel screws etc. Profile of frame & sash shalJ be mitre cut and fusion welded at all corners, shall be also fusion welded including drilling of holes for fixing hardware and drainage of water etc. After fixing frame the gap						

	between frame and adjacent finished wall shall be filled with weather proof silicon sealant over backer rod of required size and of approved quality. Profile Extrusion manufacturing & fabrication facility should be nearby accessible.						
	Note: For uPVC frame, sash and extruded profiles ± 5% tolerance in dimension i.e. in depth & width of profile shall be acceptable. Variation in profile dimension in higher side shall be accepted but no extra payment on this account shall be made.						
	Sliding window 2Track made of frame 50 x 42 mm, sash 31 x 57 mm / frame 60 x 45 mm, sash 39 x 58 mm, sash 39 x 65 mm all having wall thickness of 2.2 ± 0.2 mm and SS304 Mesh of appropriate dimension.	76000	Sqft				
2	**UPVC 2.5T 2P With SS Mesh+ 5mm Clear toughened + MS Grill**						
	Providing and fixing factory made uPVC white colour Sliding window with 5mm Clear toughened glass with SS Mesh (SS 304) and MS grill comprising of uPVC multi-chambered extruded profiles duly reinforced with 1.0 ± 0.2 mm thick (for frame), 1.5 ± 0.2 mm (for sash), galvanized mild steel section made from roll forming process of required length (shape & size according to uPVC profile), TPE gasket that is co-extruded with uPVC profile, Touch locks, nylon rollers, , GI fasteners 100 x 8 mm size far fixing frame to finished wall, plastic glazing packers, plastic caps and necessary stainless steel screws etc. Profile of						

	frame & sash shall be miter cut to size and fusion welded at all corners, shall be also fusion welded including drilling of holes for fixing hardware and drainage of water etc. After fixing frame the gap between frame and adjacent finished wall shall be filled with weather proof silicon sealant over backer rod of required size and of approved quality. Profile Extrusion manufacturing & fabrication facility should be nearby accessible.						
	Note: For uPVC frame, sash and extruded profiles ± 5% tolerance in dimension i.e. in depth & width of profile shall be acceptable. Variation in profile dimension in higher side shall be accepted but no extra payment on this account shall be made.						
	Sliding window 2.5 Track made of frame 81 x 42 mm, sash 31 x 57 mm, mesh 25 x 42mm/ frame 94 x 45 mm, sash 39 x 58 mm, sash 39 x 65 mm, 25 x 42mm all having wall thickness of 2.2 ± 0.2 mm and SS304 Mesh of appropriate dimension along with MS Grill with powder coated 12 x 12 x 1.2mm.	3800	Sqft				
3	**UPVC ventilator**						
	Providing & fixing of Ventilator with mult-chambered uPVC Extruded frame section 60 x 55 mm with minimum wall thickness 2.2 ± 0.2 mm section with gaskets having isolated drainage and reinforced with Galvanized iron profile of 1.0 mm thickness through out the window. Ventilator shall be provided with Frosted Glass Partly Lowered &	4300	Sqft				

	Partly fixed, with SS 304 mesh and exhaust fan provision, standard hardware, single point locking and friction stays. Necessary shop drawings should be prepared by the contractor and work shall be executed after obtaining approval from Engineer-in-charge
