ANNEXURE – I

Introduction:

The University of Hyderabad is a premier academic and research institution in India, recently conferred with status of **Institute of Eminence.** The campus has nearly 22 students' hostels, 13 schools, 41 departments/Centres and laboratories. The administration building is its nodal point. The University serves above 5000 students with 440 faculties and 300 quarters and nearly 10 big/small canteens apart from Shopping Complex, guest houses and auditoria and a road network of 30 KMs.

This being the topography of the University of Hyderabad, the University aspires to have an eco-friendly garbage disposal system / zero waste management system at Campus and seeks a professional firm with experience to dispose garbage generated around all these areas, besides handling all types of waste material from all its hostels, labs, departments, quarters, canteens and guest house etc., Further, there are thousands of trees etc which seasonally generates abundant dry leaves. All these dry leaves need to be collected and recycled. Apart from attending to all these works, bio-waste also has to be processed so as to make useful energy or vermi-compost etc.

INSTRUCTIONS TO THE TENDERERS:

1. The Tender document is available on UOH Website and can be downloaded free of cost.

2. The tender should be submitted in a sealed envelope with Tender Reference Number, Name of the Work and Date of Opening of the Tender.
3. **Earnest Money Deposit (EMD)** : The tenders should be accompanied by **EMD of Rs.1.75 lakhs (Rupees one lakh seventy-five thousand only)** by way of DD / Bankers Cheque drawn in favor of Finance Officer, University of Hyderabad payable at Hyderabad. No other form of fee will be accepted.

   EMD Fee shall be placed in a separate envelope marked as **"EMD Fee for Garbage Collection and Disposal Services and Recycling of waste materials in University of Hyderabad" and placed within the main Envelop.**

   Tenders received without EMD shall be summarily rejected. Once submitted, withdrawal of tenders is not permitted and shall result in forfeiture of the EMD submitted by the tenderer.

   The Earnest Money shall be refunded to the unsuccessful bidders after finalizing the successful bidder.

4. The tender should contain duly filled in tender document signed on each page, Earnest Money Deposit and other supporting documents sought under the Scope of Work and Terms and Conditions.
5. Garbage should be collected every day and recyclable material should be sold on monthly basis. Please give your lumsum monthly rate at price bid schedule.

6. The tender quoting 'lowest effective amount' AND fulfilling all the terms and conditions of UOH, Tender shall be awarded the contract. Please note that, the 'lowest effective amount' has two components: lowest quote for garbage collection per month PLUS the highest quote for recyclable material collection calculated per month and the highest quote for Compost Machinery. Note that, due weightage based on the approximate amount generated per month will be included in calculating the 'lowest effective amount'.

7. The rates should be valid for 120 days at least, from the date of submission of the tender.

8. The tenders shall be opened on 24.06.2025 at 03:00 PM in Administration Building at UOH Campus, in the presence of authorized representatives of the tenderers, who may participate in the opening of the tenders.

9. Late/Delayed Tenders shall not be accepted, UOH shall not be responsible for any Postal/ Courier Delay.

10. Any conditional/incomplete tender shall be rejected.

11. Contractors registered with any Govt. / Public sector under takings and other Govt. Departments having experience in providing Solid Waste Management services are eligible to participate.

12. Only firms with NSIC registration for supplying skilled/un-skilled manpower are exempted from payment of EMD. No firm can be exempted from payment of EMD.

13. Last date and time for receipt of filled tenders is 23.06 2025 before 03:00 PM and tenders will be opened on 24.06.2025 at 03:00 PM.

14. Filled-in Tenders along with the quotation in the Rate Schedule and proof in support of experience and supporting documents can be submitted along with EMD in the form of banker's cheque / draft in favour of Finance Officer, UOH in a sealed envelope duly super scribing the name of the work and last date and time for submission of the tender.

15. The rates quoted by the qualified tenderer shall remain fixed throughout the contractual period and no price escalation will be made for whatsoever reason.

16. The submission of tender by a tenderer implies that she/he has read the tender and its conditions and has made him/her self-aware of the scope of work.

17. For any queries/clarifications regarding the above you can contact at nos. 040-2313 2139, 040-2313 2237 and also send your queries at ctc@uohyd.ac.in

18. The Registrar, UOH reserves the right to accept or reject any application without assigning any reason.

19. The period of Contract will be for One year subject to further extension on mutually agreed terms and conditions on satisfactory performance by the contractor.

20. The work will be executed/progressed continuously as per the directions of the officer-in-charge, UOH.

21. The Contractor is required to make mechanism or engage sufficient manpower to collect garbage on daily basis.

22. Number of auto trolleys / tractor-trollies / dump trucks engaged are required to be certified by the RTO. If on any day, required auto/tractor trolleys are not engaged or garbage is not

collected on any day/week, penalty will be deducted proportionally from the bills claimed by contractor / agency.

23. The contractor shall be required to ensure a zero-waste management system complying with environmental laws and EMS 14001-2004 guidelines.

24. The contractor has to bring the necessary equipment, transport vehicles i.e. auto trolleys / tractor-trailer trollies / dump trucks/Rickshaw etc. and personnel to carry out the above work.

25. If any damage is caused to the UOH property directly or indirectly during execution of this work, the contractor has to make good for the damage immediately, free of cost, failing which recovery will be made from the contractor's bill to that extent.

26. UOH reserves the right to short close or cancel the work at any time / stage and the decision will be final and binding.

27. The tenderer / contractor is deemed to have studied the geography of the area and understood the scope of work clearly. He can visit the site during working hours and meet the officer-in-charge to familiarize himself with the area and scope of work.

28. Nowhere the garbage/waste should be burnt or disposed of in the Campus.

29. **Pre-Bid meeting will be conducted before submission of Technical and Financial Bids**

SCOPE OF WORK AND TERMS AND CONDITIONS:

It is our objective to create a clean campus (SWACHH CAMPUS) by generating a symmetric system of Solid Waste, Bio-waste and garbage disposal systems and recycling. To fulfill our objectives, the following scope of work is entrusted to the Contractor

1. The Contractor has to segregate certain recyclable materials like Paper, Cardboard, Packing Wood, Plastic, Scrap Metal (Steel) on daily basis at designated place in UoH campus as per the terms and conditions mentioned below:

Optimum Utilization of existing Plant and Machinery

The tenderer should quote the rate (Rental charges on monthly basis) for utilization for existing facilities available in campus such as

a.	Organic waste converters OWC 300SS	2 nos.
b.	Portable Garden Shredder	1 No.
c.	High-Speed Garden Shredder	1 No
d.	Vermi-Compost Beds	As per site

Utilizing above facilities as UOH is of the view that the tenderer should have the capability to operate the plant and machinery with his own manpower and pay Facility Charges, however, the raw materials like food waste & dry leaves etc would be solely collected from the Campus under the directions of respective departments like Sanitation & Horticulture. **The Facilities for Compost machines as cited above are to be utilized as where is basis with Zero Cost to UoH.**

3. The other day to day activities involved are as under:

i. Door to Door Collection of kitchen/household garbage and a separate storage for bio-degradable and non-biodegradable waste at source.

ii. The following designated garbage pick-up points/areas (indicative only) have been identified for garbage pick-up which may increase or decrease as per requirement during the course of the contract:-No additional charges will be paid/deducted in case of increased/decreased pickup points

a. Near Dining Halls
b. Near Boys Hostel blocks
c. Near Girls Hostel blocks

v. Storage bins/four wheeler plastic containers/pedal bins/recycling bins shall be empties daily without fail. The bins should be placed in such a way that dogs, pigs, buffaloes etc. cannot be spread the waste on the roads.
vi. The Contractor / Agency should arrange collection of garbage dustbins either cement or plastic or fibre as per sizes required in different locations in co-ordination with the timings suggested by Sanitation Office, UOH. The vendor should also provide sufficient number of Garbage bags with a capacity of 100 ltrs (for preserving the garbage).
vii. The contractor has to ensure a clean atmosphere by removing all sorts of garbage from the designated areas of the UOH campus.
viii. The Contractor has to ensure proper disposal of waste on every day.
ix. Garbage includes food waste generated from mess, Academic Buildings, Residential Houses and other bio-degradable and non-bio-degradable material generated from the campus.
x. Arranging awareness programme and involving the campus community in disposal of garbage
xi. The garbage/waste collected should be transported by the contractor to his segregation yard outside the campus and segregated as organic and inorganic waste and used by the contractor for recycling / disposal.
xii. Removal of dead animals from the UOH campus when reported by the officer- in-charge shall also be carried out by the contractor and disposed of suitably.
xiii. Vermi-Compost beds are available at the Zero-Waste management shed. The kitchen waste. Dry leaves from the hostels, guest houses etc are to be collected, separated and dumped in the beds for vermi-composting.

xiv. The manure produced should be handed over to the Horticulture Department at Nominal cost for utilization at Nursery/lawns and remaining may be taken away contractor subject to enter into agreement for operationalization Plant and Machinery equipped for this purpose.

xv. All recyclable plastic bags, mineral water bottles etc. as mentioned at above to be dealt invariably.

xvi. The Carcass (like dead animals, dogs, buffalos, monkeys, pigs etc) shall be disposed off out of the campus.

xvii. The Garbage collector of contractor shall collect the segregated MSW from house to house approximately 300 Nos. all households i/c 25 hostels & Community bins double & Single bins placed at various location of campus etc on regular pre-informs timings & scheduling by using bell ringing triangle e-rickshaw/e-rickshaws as per the requirement of site.

xviii. The Garbage Collector of contractor agency shall segregate the waste into three category namely bio-degradable, non- bio-degradable & domestic hazardous waste as per MSW Rules 2016 at designated place within the Campus at Micro-model site.

xix. The agency will be responsible for collecting waste from the bins in academic area.

xx. Waste collectors will also collect any paper or plastic waste lying on unpaved areas during the routine rounds. The agency will lift the Garbage including the wet left over food from the commercial establishment/eating outlets/shops.

xxi. The contactor should be able to compost the entire bio-degradable waste by using any appropriate Technologies prevalent for the purpose shall be processed, treated and disposed off through centralized composting or bio- machination as per MSW Rules'2016.

xxii. The waste containing recoverable recyclable material shall be sorted & stored in the designated space. The Contractor should ensure cleanliness of the space. The recyclable material should be periodically disposed off by interfacing with appropriate agency. No extra charge on account of disposal shall be borne by UoH and credit on monthly basis for taking out recyclable waste should be quoted in the price bid.

xxiii. The contractor will not be allowed to dump the collected waste at any place on the campus other than the designated space.

xxiv. The waste material that can neither be composted nor recycled will be sent to the authorized GHMC/HMDA dumping ground outside the Campus. Contractor shall make all arrangements for same. All necessary permission in this regard from local bodies shall be obtained by the contractor. Nothing extra is payable on this account.

xxv. The contractor will ensure cleanliness of bins in the drop sites and also the area around it.

xxvi. From time to time the contractor will also help the UoH in the campaign amongst the residents to ensure that segregation of waste is done at the households.

xxvii. The Micro-Model site should be kept clean and in proper condition. The site has regular local and international visitors and the contractor and his staff will take them around.

xxviii. The bio-degradable waste, invariably segregated waste not containing any toxic Contaminants shall be processed by De-centralized composting machine or any other appropriate Technologies as per standard of processing & treatment of bio-degradable waste as per norms prescribed in solid waste management Rules'2016. In order to prevent pollution from compost, the standards of processing & treatment of solid waste may be complied.

xxix. The contractor should also ensure that there is no smell or files in the compost area. The contractor will also not use any chemicals for composting.

xxx. A Minimum required T&P such as E-Rickshaws / Vehicles for transporting of garbage is to be arranged by the contractor suggested list is given in Annexure-A. The cost of all operation & equipment should be included in the tender bid & the UoH shall not be liable for extra payments other than quoted.

xxxi. Any other duties, which may be assigned from time to time apart from the duties, mentioned above to the contractor.

xxxii. **The agency should provide florescent jacket and identity cards to all worker engaged by the agency.** The agency shall provide personal protection equipment namely, hand

gloves, Gumboots, goggles & mask to all garbage collectors for handling solid waste as per MSW (Management & Handling Rules'2016) during execution of work.

xxxiii. Vehicle used for transportation of waste shall be covered as to prevent the foul odour, littering and unsightly conditions.

xxxiv. It would be responsibility of contractor to arrange all permissions / approvals from all local bodies / statutory bodies & nothing extra shall be paid on account of this by the Institute.
