To consider the representation of Dr. M. Rajasree, Chief Medical Officer

In light of the representation from Dr M. Rajasree, CMO, the Council reviewed the internal arrangements that have been in place over the past eighteen years and resolved to continue the existing practice of assigning one of the Chief Medical Officers the responsibility of serving as Administration-in-Charge of the University Health Centre.

This assignment shall be for a tenure of two years, on a rotational basis, at the discretion of the Vice-Chancellor, taking into account the prevailing circumstances in the Centre. Further, there shall be no restriction on entrusting second or subsequent terms to the same CMO as the in-charge of the University Health Centre, depending upon exigencies and functional requirements.

Item No. EC:196:2026:12

To consider seeking clarification from the University Grants Commission on the adoption of DoPT-prescribed norms under FR 56(j)/(l) and Rule 48 of CCS (Pension) Rules, 1972 (now revised as Rule 42 of CCS (Pension) Rules, 2021) for teaching and non-teaching staff, and to request the Commission to suggest or prescribe any guidelines to be followed for its implementation.

After review of the guidelines notified by the Department of Personnel & Training for enforcing premature retirement of employees, subject to certain conditions, based on their integrity, effectiveness and conduct, the Council emphasized the need to finalise clear modalities for assessing the services of university employees across all cadres based on these guidelines.

Accordingly, the Council resolved to seek clarification from the University Grants Commission on university-specific guidelines, modalities, and procedures to be adopted for the review of services of teaching, non-teaching staff in Central Universities.

Item No. EC:196:2026:13

To consider the implications of the UGC clarification dated 12-03-2024 regarding the counting of post-doctoral experience, including recognized national and international fellowships, for direct recruitment and CAS promotions of teachers.

The Council reviewed the implications of the UGC clarification dated 12.03.2024 on the inadmissibility of reckoning of post-doctoral experience, including service rendered under various national and international fellowships, as equivalent to that of an Assistant Professor in terms of Clause 10 of the UGC Regulations, 2010 & 2018, for direct recruitment and Career Advancement Scheme (CAS) promotions of teachers.

The Council resolved that no further clarification is required, as the wording of the UGC communication is clear and does not permit multiple interpretations. The Council observed that the practice previously followed by the University in this matter was not in alignment with the Commission's clarification. Accordingly, rather than seeking further clarifications, the Council resolved to strictly adhere to the UGC's clarification, effective from all future faculty recruitment notifications.

The Council further resolved that based on the Commission's clarification dated 12/3/2024, post-doctoral experience shall not be reckoned for both direct recruitment and CAS promotions.

Item No. EC:196:2026:14

To consider and approve the proposals relating to:

1. **Guidelines framed for appropriation of a defined portion of revenue generated from academic assignments as overhead charges, projects, etc., to university IRG account; and**
2. **Appropriation of a defined portion of Guest House receipts towards internal revenue generation, to augment resources for maintenance expenditure.**

The Council resolved to approve the guidelines framed by the Prof. Ghanshyam Krishna Committee for revenue generation from academic engagements, including teaching, consultancy, projects, and allied activities, and for sharing a defined portion of that revenue with the university towards Internal Revenue Generation (IRG).

The Council also resolved to approve the proposal to credit sixty per cent (60%) of the University Guest House annual receipts to the IRG Account to augment the University's resources for maintenance and related expenditure from the Financial Year 2026-27.

Item No. EC:196:2026:15

To consider the booking of salary expenditure of UH Campus School temporary teachers to the interest earned on the University Corpus/ Development Fund

Considering the pressure on the limited funds allotted by the UGC under the Recurring (OH:31) Grant, the Council resolved to approve the proposal to utilise the interest accrued on the Corpus Fund/Development Fund of the University for meeting the salary expenditure of temporary teachers engaged in the Campus School, with effect from 31.03.2026, pending finalisation of the Cadre Recruitment Rules and recruitment of regular teachers.

The Council, however, observed that the interest earned from the Corpus/Development Fund is primarily intended to support the University's welfare and development activities. Its utilisation for salary expenditure should therefore be restricted to the minimum necessary and resorted to only

as a temporary measure, when such expenditure cannot be met from any other source.

Item No. EC:196:2026:16/1

To consider the issues raised by Prof. Ramdas Rupavath, Department of Political Science, in his email dated 20-08-2025, on the 2025 PhD admission process, and his exclusion from the interview process and his series of four emails on 30-01-2026 and 31-01-2026.

The Council considered the contents of the email dated 20.08.2025 on the PhD. admission process of 2025, and his subsequent four emails dated 30.01.2026 and 31.01.2026 on irrelevant issues and observed that his allegations in the email dated 20.08.2025 were false, incorrect and baseless.

The Council resolved that Prof. Ramdas Rupavath be advised to desist from making unsubstantiated allegations against statutory authorities and from addressing them with irrelevant communications devoid of context or coherence.

Item No. EC:196:2026:16/2

To consider the appeal dated 03-01-2025 & 04-02-2026 from Dr Sheela Suryanarayanan, Associate Professor (Women's Studies), against the penalty of censure and exclusion from holding administrative positions and admission-related assignments.

The Council considered the appeal dated 03-01-2025 and 04-02-2026 submitted by Dr Sheela Suryanarayanan, Associate Professor, Centre for Women's Studies, against the penalty of censure and her exclusion from holding administrative positions and admission-related assignments for a period of five years.

After due deliberation, the Council found no fresh grounds advanced by the appellant that would warrant reconsideration or interference with its earlier decision. Accordingly, the appeal stands rejected.

Item No.EC:196:2026:16/3

To consider the report of the Committee constituted on the appeal of Dr Meera Padhy, Professor, Centre for Psychology for withdrawal of the university's orders recovering her pay and allowances from 27-05-2020 to 23-08-2020 period and refund of the deducted amount.

The Council considered Prof. Anand Kumar Kondapi Committee's report on the appeal of Prof. Meera Padhy, Centre for Psychology, and, in view of the exceptional circumstances prevailing at the time—marked by widespread apprehensions and fear psychosis due to the Covid-19 pandemic, the mandatory physical distancing, and other protocols enforced to contain its spread—and noting that her academic responsibilities remained uninterrupted, the Council resolved to approve the following recommendations of the Committee and ordered that,

(i) *the period of absence of Prof. Meera Padhy from **27-05-2020** to **23-08-2020** from the headquarters is treated as "spent on performance of academic duties",*
(ii) *Consequently, the University Office Order No. UH/E.I./ID No.1757/4641 dated 08-06-2021, treating the above period as unauthorized absence from duty entailing recovery of salary, stands withdrawn, and*
(iii) *the amount of Rs 50,000/- deducted in the first instalment from her salary be refunded to her.*

Item No.EC:196:2026:16/4

To consider the appeal submitted by student Mr Bablu (Reg. No. 24SHMA39), Department of History, School of Social Sciences, seeking reconsideration of disciplinary actions, penalties and debarment from future admissions

After considering Mr Bablu's appeal, the Council resolved not to accede to his request to review the penalties imposed for misconduct by the Chief Proctor and Anti-Discrimination Cell & Equal Opportunities Cell. In view of the gravity of the misconduct, the penalties already imposed shall remain in force.

Item No.EC:196:2026:16/5

To consider and approve the recommendations of the Prof. Sanjay Subodh Committee constituted to examine appeals and representations relating to CAS promotions, fixation of date of eligibility, counting of past service, advancement of date of promotion and other matters of faculty.

The Executive Council took note of the constitution of a committee chaired by Prof. Sanjay Subodh to examine the following matters, subject to UGC's approval, in pursuance of its decision at its 194th meeting held on 27-06-2025,

1. *Cases of faculty members who were promoted to higher positions under UGC-CAS in their second or subsequent attempts and requested advancement of the dates of their eventual promotion on par with the benefit extended earlier to three faculty members,*
2. *Counting of past service, including industry experience for promotions,*
3. *Delays in completion of the screening process at the level of Academic Units.*
4. *Determination of the date of eligibility on completion of the Refresher/ Orientation Courses as per UGC 3rd Amendment Regulations, 2023.*
5. *Representations regarding determining the date of eligibility on account of promotion.*

As decided in the 194th meeting held on 27-06-2025, the Council resolved to refer Prof. Sanjay Subodh's report and recommendations to the UGC for its consideration and approval.

Item No.EC:196:2026:16/6

To consider the continuation of the services of Prof. M. Samba Siva Raju, Department of Dance, S.N. School of Arts & Communication, beyond the superannuation date of 30.06.2026, on a contract basis with consolidated remuneration, for a limited tenure of one year at a time.

Considering the extenuating circumstances that will prevail in the Department of Dance following the superannuation of Prof. M. Samba Siva Raju on 30.06.2026, whereby only one full-time faculty member will remain available to handle the post-graduate and research programmes—since the only other faculty member is entrusted with the full-time responsibilities of

the office of the Vice Chancellor—the Council resolved to engage the services of Prof. M. Samba Siva Raju on contractual basis for a period of one year post his retirement, on a consolidated remuneration as per the norms of the UGC, in terms of the UGC Regulations, 2018 and UGC Re-employment guidelines, subject to renewal up to a maximum of three years, depending upon the exigencies in the Department.

This resolution has been adopted under exceptional circumstances to ensure the uninterrupted continuity of academic programmes, safeguard the academic interests of students, and uphold the functional integrity of the Department, pending conclusion of the regular recruitment process and the appointment of faculty through due procedure.

Item No. EC:196:2026:16/7 & 8

To consider the cases of Shri P. Krishna, Laboratory Attendant and existing employees in the Security cadre, deprived of the career advancement prospects in the Cadre Recruitment Rules (CRR), 2023.

The Council acknowledged that the implementation of the Cadre Recruitment Rules, 2023 (CRR-2023), by adopting the Model Cadre Recruitment Rules, 2023 (MCRR-2023) notified by the UGC, has inadvertently curtailed the promotional prospects of existing employees of the University in the positions of Laboratory Attendant, Assistant Security Officer and Security Officer, thereby operating to their disadvantage and adversely affecting their career advancement prospects.

Accordingly, the Council resolved that the CRR-2023 be reviewed with a view to restoring promotional avenues for the above affected employees, safeguarding their legitimate career advancement and ensuring fairness in service conditions.

Since the said review and Visitor's approval is a long-drawn process, the Council resolved to explore the possibilities of affording the above affected employees an opportunity to get promoted based on the norms existing prior to notification of the CRR-2023.

Item No. EC:196:2026:16/9

To consider initiation of the recruitment process to the non-teaching posts under 40 cadres for which CRRs were framed, and the Visitor's approval is awaited.

The Council acknowledged the difficulties arising from the pending approval of the Visitor to the Cadre Recruitment Rules (CRR) of approximately forty

cadres of the University, including essential positions such as Medical Officer, Nursing Officer, Campus School teachers, and posts in engineering and scientific cadres, by following the process advised by the Ministry of Education.

Pending such approval, the Council resolved that the norms adopted previously for direct recruitment to the posts in these cadres shall be followed, except for direct recruitment to the Campus School posts, for which the Kendriya Vidyalaya Sangathan Recruitment Rules may be followed.

Item No. EC:196:2026:16/10

To consider the proposal for appointing Prof. Vinod Pavarala (Retired), Department of Communication, S.N. School of Arts & Communication, as an Emeritus Professor in the S.N. School of Arts & Communication

The Council resolved to appoint Prof. Vinod Pavarala as an Emeritus Professor in the Department of Communication, S.N. School of Arts & Communication, effective from the date of his joining, for a term of three years, subject to cessation on attaining the age of 70 years, whichever is earlier.

Item No. EC:196:2026:16/11

To consider the issues relating to the acts of indiscipline and trade union activities by outsourced workers, transition to the new contractor based on the new labour codes & rules, and replacement of outsourced workers with newly recruited regular employees

The Council took serious note of the acts of indiscipline committed by outsourced employees, including, holding protests, video graphing offices of statutory officers, addressing the media, obstructing other personnel from discharging their duties, making false allegations against officers, and issuing threats to disrupt hostel messes, etc. The Council further took objection to the outsourced workers indulging in trade union activities against the contractual conditions.

The Council took consternation to the fact that the outsourced workers are resisting the transition to the new contract, finalised as per Government-mandated GeM process, which has come forward to re-induct them under the new contract, despite being empowered to bring own manpower.

The Council ratified the action already taken by the University administration in this regard through the concerned Contractor and authorized the Vice-Chancellor to direct the Contractor to initiate stringent measures,

henceforth, against any outsourced employees found in violation of the contractual terms.

In continuation to the decision taken by the Council in its 190th meeting held on 30-06-2023, the Council authorized the Vice-Chancellor to replace the required number of outsourced personnel with newly recruited regular staff to rationalize manpower to optimal strength in compliance with the UGC directives and safeguard institutional discipline and operational continuity.

Representations to EC members:

1. **Dr B. Krishnaiah,** Associate Professor, Department of English, School of Humanities, represented vide email dated 21/06/2026 to the Chairperson and members of the Council requesting protection from the administrative reach of the Head of the Department and Prof. Anna Kurian, until the final outcome of the NCSC, following the setting aside of the Commission's previous proceedings dated 29.07.2025 by the Hon'ble High Court in Writ Petition No. 33652/2025.

   The Council noted that the Hon'ble High Court, vide its orders dated 09.06.2026 in W.P. No. 33652/2025 filed by Prof. Anna Kurian and Prof. Pramod K. Nayar against the minutes/report of the National Commission for Scheduled Castes (NCSC) dated 29.07.2025, has set aside the impugned proceedings of the NCSC on the complaints filed by Dr. B. Krishnaiah on the ground of violation of the principles of natural justice, inasmuch as the Petitioners were not afforded an opportunity of being heard. The Court has remitted the matter back to the Commission, directing that the Petitioners, Prof. Anna Kurian and Prof. Pramod K. Nayar, be allowed to be heard.

   Following the orders of the Hon'ble High Court, the Council resolved that it will not intervene in the matter as it has to be heard afresh by the Commission.

2. **Shri Sudarshan Rao**, a retired employee, as President of the Hyderabad University Workers Union (HUWU), sent an email on 22-06-2026, attaching a copy of the HUWU's representation dated 14-05-2026 addressed to the Vice Chancellor, seeking improvement in the service and living conditions of the contract workers by regularizing their services.

   Upon being apprised that outsourced workers were granted the opportunity to compete in the Recruitment Examinations conducted for

non-teaching vacancies, with the benefit of age relaxation, it was noted that none qualified in the final merit list for appointment. The Council further observed that the regularization of outsourced workers without undergoing the prescribed recruitment process has been expressly prohibited by the Supreme Court in various judgments, as well as by the Government of India. Accordingly, the Council resolved not to accede to the request.

3. **PwBD employees:** Representation dated 18.06.2026 of UH Non-Teaching Employees Association and UH Staff Union for implementation of the DOPT O.M. dated 28.12.2023, providing for notional promotion to eligible PwBD employees in the university in accordance with the Rights of Persons with Disabilities Act, 2016 and the judgements of the Supreme Court, with effect from 30.06.2016.

   The Council noted that the matter was referred to the UGC for clarification, which is still awaited.

The meeting ended with a vote of thanks to the Chair.
