Item No.AC:95:2025:03: Minutes of the IQAC meeting held on 25.2.2025.

The Council approved the Minutes of the IQAC meeting held on 25.2.2025.

Item No.AC:95:2025:04: Report on admissions to the Ph.D. Programmes for the Academic Year 2024-25.

The report presented by the Controller of Examinations on admission to the Ph.D. programmes for the Academic Year 2024-25 was noted by the Council. The Council noted that an admission notification for all the Ph.D. programmes for Academic Year 2025-26 has been released by the Office of the Controller of Examinations and that the 22 academic units have opted to offer admission based on the Entrance Exam to be held by the University and 20 academic units have decided to grant admissions based on the UGC NET/ CSIR NET scores.

Chairman informed the House that the admissions to the Ph.D. programmes for last academic year was held in two different modes, that is, by conducting the entrance exam and based on the scores of UGC NET/CSIR NET as per the options exercised by the academic unit concerned. The admissions to these programmes were concluded by conducting admission counselling and operation of wait list and the process of admissions was formally closed in the month of February, 2025. At the end 109 seats in total remained unfilled. Out of which 17 seats for the streams for which entrance exams were held and 92 seats against the NET based admission mode. It was also informed to the House that about fifty percent of vacant seats were meant for reserved categories. The chief reason for said percentage of reserved seats being vacant was on account of the fact that the candidates belonging to these categories were admitted against the un-reserved category and hence there were no takers the seats meant for them.

Keeping the above experience in view, the Chairman requested all the academic units to pay serious attention towards the above phenomenon and to choose the admission mode carefully which can draw a healthy competition and help the University fill all the seats. Accordingly, the Chairman advised all the unit Heads to rework on it and to communicate their decision to the Controller of Examinations to effect necessary changes in the admission notification for 2025-26 by bringing suitable amendments. The House agreed to allow time for the academic units to act upon the above suggestion of the Chairman and to communicate their decision to the CE latest by 2 May 2025.

The Council noted that the results of UGC-CSIR NET exam held in the month of January 2025 are yet to be out and thus the candidates aspiring for admission into the University of Hyderabad will be at disadvantage if the last date for submission of applications is not extended beyond 5 May 2025 for the programmes for which NET scores are considered. Accordingly, it was resolved to extend the last date for submission of application for NET based admissions up to 30 May 2025 and to include ICMR JRF to be eligible for Ph.D. programmes in School of Life Sciences.

The Council noted that as per the guidelines issued by the UGC during March 2024, the candidates awarded JRF shall be selected based on the performance in the interview out of 30 marks. Whereas, the selection of category 2 & 3 of NET qualified candidates are based on combined marks scored by them in the NET and the interview. The members felt that this situation is likely to put the Non-JRF candidates to the disadvantage. Hence, the Council resolved that an Admission Committee may be constituted to find out possible ways and means of appropriating the seats to the Non-JRF (category 2 & 3 of NET scores) candidates also, in accordance with UGC guidelines.

Item No.AC:95:2025:05: Appointment of Vice-Chancellor to Sammakka Sarakka Central Tribal University.

The Council noted that the Government of India has notified the appointment of Prof. Y.L. Srinivas as Vice-Chancellor to the Sammakka Sarakka Central Tribal University and he assumed the charge of the office on 13 March 2025.

Item No.AC:95:2025:06: Incorporation of Uniform Grading Slab

The C.E. informed the Council that although the responses from majority of the academic units proposing revision in the grading slabs duly incorporating the 'O' Grade have been received, few more academic units are yet to finalize the grading slabs and to submit the same to the O/o the CE. After a brief discussion, the Council noted that the grading slabs need to be rationalized across the similar streams. Accordingly, it was resolved that the responsibility of rationalization of grading slabs be assigned to the NEP Implementation Committee.

Item No.AC:95:2025:07: Ratification of approval for recognising Dr Rajesh Sikhakoli, Scientist -SF, NRSC as Co-supervisor for guiding PhD. Scholars of Centre for Earth Ocean and Atmospheric Sciences (60th School Board minutes of School of Physics held on 23.2.2024)

The Council noted that the proposal has been approved by the Vice-Chancellor pending ratification by the Council. The Council ratified the action taken by the Vice-Chancellor in the capacity of the Chairman of the Council.

Item No.AC:95:2025:08: Ratification of approval for recognising Dr Neeraj Kumar, Assistant Professor, Cognitive & Neurosciences, Department of Liberal Arts, IIT Hyderabad as Co-supervisor for guiding PhD. Scholar Mr. Adarsh Kumar Verma (21CPPH06) Ph.D Psychology, Centre for Psychology:

The Council noted that the proposal has been approved by the Vice-Chancellor pending ratification by the Council. The Council ratified the action taken by the Vice-Chancellor in the capacity of the Chairman of the Council.

Item No.AC:95:2025:09: Minutes of the Heads & Deans meeting held on 27th March 2025:

The Council noted a decision on the mode of admissions for Ph.D. programmes for the academic year 2025-26 was taken in the meeting of Heads & Deans held on 27th March 2025. The Council ratified the decision of the Heads and Deans meeting.

ITEMS FOR CONSIDERATION

Item No.AC:95:2025:10: Academic Calendar for the Academic Year 2025-26

Prof. Sanjay Subodh, Chairman of the Academic Calendar Committee briefed the Council on the aspects that were considered while drawing the Academic calendar, such as the probable dates by which the process of admissions would be completed, the minimum teaching days required for a academic calendar year, the number of days required for conduct of end-semester exams, duration required for semester registration, buffer days for cultural activities etc. The Council approved the Academic calendar for the A.Y 2025-26.

Item No.AC:95:2025:11: Prospectus for the academic year 2025-26

Controller of Examinations briefed to the Council that the prospectus material received from academic units has been updated, and as some of the Units are still making changes in the Prospectus material, proposed to authorize the Vice-Chancellor to approve the final Prospectus – 2025-26, the proposal was approved.

Item No.AC:95:2025:12: Payment of Scholarship under Direct Beneficiary Transfer (DBT) Mode by the Social Welfare Department of State of Telangana to SC category students from the Academic Year 2024-25 onwards.

The Controller of Examinations and the Chairman of the Council informed to the House that the Government of Telangana has decided to remit the social welfare scholarship amounts directly into the accounts of the beneficiaries under Direct Beneficiary Transfer (DBT) Mode by the respective Social Welfare Departments through National Scholarship Portal from the academic year 2023-24. Accordingly, the students belonging to the Scheduled Caste of State of Telangana and are eligible for sanction of social welfare scholarship will be receiving the tuition fee, mess charges etc directly into their bank accounts. As per the rules of the University such students will not be considered as social welfare scholarship holders and are not entitled for concession in payment of semester fee and deferment of payment of mess charges. Hence, all the SC students irrespective their domicile shall pay full amount of fee from the academic year 2025-26 and the students who were granted concession during the 2023-24 and 2024-25 shall clear their dues by paying full amount of fee.

The Council, while noting the same, opined that its impact on University's finance may be placed before the Finance Committee with a year-wise and batch-wise data and detailed break-up of the amount involved in this issue.

Item No.AC:95:2025:13: Nomination of Alumni Member on Academic Council

Members of the Council were requested to send the names of the alumni members whose candidatures may be considered to the Vice-Chancellor for nomination of as Alumni member into the Council.

Item No.AC:95:2025:14: Framework for Universities to conduct Examinations for SWAYAM courses.

After the formal briefing by the Controller of Examinations, it was appraised by the Chairman to the Council that the SWAYAM guidelines are in place. The Chairperson of the NEP Implementation Committee was requested to circulate the guidelines once again to all the academic units with a request to initiate necessary action for implementation as per the guidelines of the UGC. The Chairman informed the Council that Prof. Y.V. Subba Rao, School of Computer & Information Sciences has been appointed as University level Coordinator for SWAYAM courses and the academic units may appoint Coordinators at their level so that a perfect coordination takes place for effective implementation. The NEP Committee has been requested to look into the issues pertaining to the continuous assessment and suggest the workable models so that Academic Units can offer SWAYAM courses for the students.

Item No.AC:95:2025:15: Adopting Scopus and Web of Science indexed journals/publication for promotion and direct recruitment.

Controller of Examinations and Prof. K.K. Kailash briefed about the importance of adopting Scopus and Web of Science indexed journals/publication for promotion and direct recruitment. After an elaborate discussion, the Vice-Chancellor advised all the academic units to look into the collection of journals etc and suggest additional databases with all the details and specific inputs to IQAC.

Item No.AC:95:2025:16: Institution of three gold medals honoring late Prof. G.V. Subrahmanyam, a retired faculty of Department of Telugu and Former Vice-Chancellor of Potti Sriramulu Telugu University and Sahitya Academy Awardee of State and Central. The award is sponsored by his son Dr. G. Vidyanath and family members.

The Council noted and acknowledged the gesture of the family members of Late Prof. G.V. Subrahmanyam for institution of Gold Medals. The Council recommended placing the item before the Executive Council for its approval for the institution of the following 3 Gold Medals to be awarded from the academic year 2025-26.

1. "Prof. G.V. Subrahmanyam Memorial Gold Medal" in M.A. Comparative Literature for any outstanding comparative literary study between Telugu literature and Southern languages or any outstanding comparative literary study.

The Council approved the Panel of Experts of Library Cadre as received by the Recruitment Cell and recommended for consideration and approval to the Executive Council.

MINUTES OF THE SCHOOL BOARDS

Item No.AC:95:2025:18: Minutes of the 14th School Board meeting of School of Mathematics & Statistics held on 11.3.2025.

The Council approved the Minutes of the School Board of Mathematics;

Item No.AC:95:2025:19: Minutes of the 21st School Board meeting of School of Computer and Information Sciences held on 13.3.2025.

i) Participation in IndiaAI Fellowship for Ph.D. in Artificial Intelligence (SB Item No.SB:21:I:V(g))

The Council approved the resolution of the School Board of School of Computer & Information Sciences for participation in IndiaAI Fellowship for Ph.D. in Artificial Intelligence as proposed in the agenda.

ii) Suspension of M.Tech. (IT) admissions for the academic year 2025-26 (SB Item No.SB:21:I:VII)

The Council approved the resolution of the School Board of SCIS for suspension of M.Tech. (IT) admissions for the academic year 2025-26 in view of the fact that the IDBRT did not show inclination towards renewal of MoU and providing faculty support to run the programme.

iii) Zero Backlog norm for I.M.Tech. Program

The Council, after a detailed deliberation, decided to defer the item. The Dean, SCIS was asked to represent the item in next AC meeting with adequate data showing the details of the students who have been maintaining the backlogs in the IMTech programme.

iv) Change of Eligibility Criteria for Ph.D. and M.Tech. admissions in School of Computer and Information Sciences effective from 2025-26 onwards (SB Item No.SB21:I:VIII: Any other item)

Programme	Existing criteria, as passed in 93rd Academic Council meeting held on 15th May 2024 (effective from 2024-25)	Proposed Criteria effective from 2025-26 onwards
Ph.D.	Any NCRF level 7.0 program in Computer Science Engineering or equivalent as determined by AICTE Gazette notification with a minimum of 60% marks or the equivalent grade	1) Any NCRF level 6.5 or higher degree with a minimum of 60% marks or the equivalent grade in one of the following: a) Computer Science & Engineering or equivalent (as determined by AICTE) b) Computer Applications c) Computer Science or equivalent AND 2) Valid UGC-NET score in Computer

		Science and Applications
M.Tech.	A person with valid GATE score in Computer Science and Technology OR Data Science and Artificial Intelligence (Codes CS, DA) and with a minimum of 60% marks in Computer Science Engineering or equivalent or determined by AICTE Gazette notification, with a minimum of 60% marks or the equivalent grade	1) A person with a valid GATE score in Computer Science and Information Technology OR Data Science and Artificial Intelligence (codes CS, DA) GATE in DS should be included as one of the eligibility criteria in addition to GATE in CSIT in CCMT. AND 2) A minimum of 60% marks or equivalent grade in Computer Science & Engineering or equivalent (as determined by AICTE) OR A minimum of 60% marks or equivalent grade in MCA/M.Sc. in Computer Science or equivalent AND 3) Application is made through CCMT

The Council approved the proposed changes in the eligibility criteria.

Item No.AC:95:2025:20: Minutes of the 61st School Board meeting of School of Physics held on 17.2.2025.

i) Centre for Advanced Studies in Electronics Science & Technology: Increase in take of M.Tech. (MVLSI) from 18 to 36 (SB Item No. PHY-SB-61 (2025) 17)

The proposal of the School of Physics for revision in the intake has been approved by the Council.

ii) Panel of Experts for recruitment of faculty in School of Physics (SB Item No. PHY-SB-61 (2025) 19)

The Council recommended the panel of experts for faculty positions for consideration and approval to the Executive Council.

Item No.AC:95:2025:21: Minutes of the 49th School Board meeting of School of Chemistry held on 19.3.2025.: Revised panel of experts for faculty selection in School of Chemistry

The Council recommended the revised panel of experts for faculty positions for consideration and approval to the Executive Council.

Item No.AC:95:2025:22: Minutes of the School Board meeting of School of Life Sciences held on 17.3.2025.

i) Admission of vacant M.Tech. Bioinformatics seats through GATE qualifications (SB Item No.4)

The Council noted that the admission into M.Tech. Bioinformatics is hitherto being done based on GATE score through CCMT counselling. Noticing that the admission solely through CCMT counselling is not helping to fill all the seats, the School of Life Sciences proposed that the seats left unfilled after CCMT counselling will be filled through spot round on the basis of GATE score. The Council noted and approved the same.

ii) Short term courses offered to International students (SB Item No.6)

Approved.

iii) Department of Biotechnology and Bioinformatics: Introduction of Ph.D. Bioinformatics from the academic year 2026-27. (SB Item No.10)

Approved subject to submission of all the details;

iv) Department of Systems and Computational Biology: Introduction of new program M.Sc. Systems and Computational Biology with an intake of 12. (SB Item No.12)

Approved.

v) Institution of Prof. Appa Rao Podile's Lab Gold Medal for Excellence in Research (SB Item No. 17 : Any other item (a))

The Council noted and thanked the Donors and recommended to place the item before the Executive Council for its approval for the institution of **Prof. Appa Rao Podile's Lab Gold Medal** for Excellence in Research by an outgoing Ph.D student of School of Life Sciences and to award from the academic year 2025-26.
